Bids can be placed from Wednesday Verden YoungSTARS OnLive Auction

Verden. From tomorrow, Wednesday 27 May, the first bids can be placed on the foals at the YoungSTARS Auction. Around 80 excellent colts and fillies from the 2026 crop will be in the spotlight. The Verden YoungSTARS OnLive Auction will take place on Saturday, 30 May, as an atmospheric outdoor event on the racecourse grounds. Admission is free.

Set against a green backdrop, the presentation of the foals on Saturday from 10 am in the open air will be a special experience for exhibitors and visitors alike – as will the subsequent auction at 2 pm. Around 80 high-quality young talents with interesting pedigrees will be presented in a compact, carefully selected lot. The selection includes promising fillies and colts for dressage, show jumping and eventing. The variety of bloodlines, featuring modern, sport-oriented sires and performance-oriented dam lines, makes the YoungSTARS auction a true showcase of breeding.

The auction itself will be held in the tried-and-tested OnLive format, which combines the atmosphere of a traditional on-site auction with the benefits of digital participation. Whether directly at the venue or online from home – the Verden Auction on 30 May offers the best opportunities to discover a future star.
