55 three- and 22 four-year-olds will show their talents

Free jumping competition to be broadcast live on the Internet

Verden. On Wednesday, April 17, the Niedersachsenhalle in Verden/GER will be dedicated to show jumping. Starting at 9 am, 55 three-year-olds and 22 four-year-olds from the Hanoverian Show Jumping Breeding Program will demonstrate their skills. The judges are Philipp Weishaupt and Jörg Münzner, who will also comment on the horses. After the competition, the two internationally successful show jumping riders and trainers will discuss with the audience which criteria are important in modern show jumping breeding. The competition will be broadcast live on the Internet.

The pedigrees of the entered horses promise top-class quality. Internationally proven jumper blood meets secured Hanoverian dam lines. There is a swarm of names from top sires like Kannan, Nabab de Reve, Plot Blue, For Pleasure or Diamant de Semilly. Perigueux celebrated with Germany's Eva Bitter numerous great international successes and sends most of the offspring into the competition. The Celle State Stud is the sire of eight young talents, who are at the beginning of their career. Six horses descend from Diacontinus, who enjoys great popularity in sport and in breeding.

In addition to valuable prizes, the owners of the champions can be particularly pleased: For the best three-year-old, the Celle State Stud is awarding a free jump by the young stallion Cabo Verde, who was enthusiastic about his two sport tests. The exhibitor of the winner in the four-year-old class will receive a stud money voucher for the Stakkato Prize winner Stakkolensky from Gestüt Lichtenmoor in Heemsen.
